AWDis

The original Home of the Hoodie - we are curators of identity. Our product ranges are created to provide the widest choice of blanks designed specifically for customisation.

Our Story

Starting with just one hoodie in 30 colours, we now offer a diverse collection of quality garments. Whether it's individuals marking special moments, crafting unique brands, or forming tight-knit clubs and teams, AWDiS stands as a reliable companion. We cater to schools, universities, charities, and even large corporations - because expressing identity knows no bounds when AWDiS is in the picture.

Our History

Over a decade ago saw the launch of the iconic JH001. Fast-forward to now, with 90 colours in the JH001, we have never looked back. Each product offering is designed with customers' needs in mind - from casual combinations, to sportswear, sustainable products, classic T's, and everything in-between. AWDiS has the widest range of colours and sizes available on the market - we are market leaders in printability.

AWDiS Architecture

All our market leading brand names (formerly Just Hoods, Just Cool, Ecologie, Just Ts, Just Polos, So Denim and AWDiS Academy) will now be easier to find, explore, compare, and combine as they will now sit exclusively under the AWDiS umbrella. While the individual brand names may transition, their exceptional products will remain within carefully curated categories, catering to your preferences and needs as before. From cosy hoodies to cutting-edge sportswear, the commitment to delivering excellence remains unchanged.

Why choose AWDiS

Doing the right thing runs through the heart of everything we do, and that is why we work so closely with our global partners to do what we can to make the world a better place. In 2022, we removed all virgin plastic from our packaging and replaced it with 100% recycled bags. For 2023, we have gone a step further and removed 80% of our packaging completely. Where we cannot remove packaging, we are transferring to 100% certified compostable bags, reducing our environmental impact significantly.

At the heart of our ethos lies the values of family and community. Our product range is designed to allow for expression of identity, giving our customers the canvas to push and explore the boundaries of creativity.

We focus on colour, range, style and printability.
