UNIFORMS MADE SIMPLE

The hospitality industry thrives on first impressions. From the moment your guest walks through the door, their dining experience with you begins.

This magazine looks at how you can create a strong brand identity using a consistent colour palette across your logo, staff uniforms, interiors and furnishings.

You should aim to welcome guests into a space that has a clear sense of order - where front-of-house staff are easily identifiable through the uniforms they wear.

To help inspire you, we've rounded up our favourite styles and put them into simple two-piece uniform combinations. All you need to do is pick a colour that reflects your overall branding.

From aprons to shirts, tees and chef's jackets, our uniforms are designed to be decorated, so please speak with your local Premier supplier who can help you with this. Because adding your logo can really enhance your look and create a sense of professionalism.

COLOUR THAT WORKS

In this feature we look at how you can create a beautiful and stylish space at the front-of-house by exploring a colour scheme of soft muted tones across your uniforms, interiors and soft furnishings.

We've selected four apron shades from our 'Colours Collection' to show how using a neutral palette can inspire the rest of your uniform and acts as a great canvas for decorating your front-of-house spaces.

Embracing the latest trends for simplistic Scandinavian décor, you can see how we've taken this palette and brought in some beautiful accessories to create a sense of harmony and provide a warm and welcoming space for guests to relax.

'Wardha' salt and pepper mill. 'Alko' Vase

Create Beautiful Spaces

Our chosen palette of soft muted tones allows us to layer in accessories that complement this vibe. We love wood and wicker inspired from the natural world and are drawn to gorgeous green and blue hues for our tableware.

Whether your uniform acts as inspiration to your interiors or vice versa, create a memorable dining experience with a sense of flow which starts the moment your guest walk through the door.

'Volumen' Lamp, 'Eya' Cutting boards, 'Pleat' Jug.

'Bamb' Placemats, pk of 4. 'Suns' plate. 'Lake' plate. 'Pleat' plate. Set of 2 'Chef' Tea towels. 'Ox' fork, knife, spoon & teaspoon

WITH YOUR INTERIOR

From coffee and cake in the conservatory to fine dining in the banqueting suite, dress your spaces to reflect the culinary experience and draw on inspiration from your chosen colour scheme.

'Fold' throw. 'Kawa' lounge chair. 'Helo' round table, Indoor & outdoor use.

These beautiful accessories can be found online at, Housedoctor.com, Nordicnest.com and Connox.co.uk
