# OUR SUSTAINABILITY JOURNEY

## Responsible Cotton Sourcing

Where we can, we source cotton that has been grown organically, using less water and without toxic pesticides.

We are reducing the amount of packaging for our products and use recycled solutions where we can.

## Memberships & Associations

We are a members of Better Cotton™ and also support Fairtrade® farmers by purchasing their cotton.

## Community Engagement

It's important to us to give back, which is why we donate and sponsor charities that benefit the communities where our products are made.

# What's new for 2024?

## Swap & pop with colour

How can you create hundreds of different looks with one apron? Simple; we split it into two. With 20 shades of neckbands and waist ties, and 10 apron body colours, there are 200 different colour combinations to play with. That means there's no need to go bespoke to get your brand colours. Swap & Pop is the quick and simple way to kit your staff out in aprons that look custom made, but without the hefty price tag. Add branding and personalisation and the possibilities are endless. We wonder why we didn't think of it before!

## Our recipe for success

Life in the kitchen is like a pressure cooker. Chefs told us they wanted 'cooler' garments in every sense of the word. So we've cooked up a stylish new range designed in lightweight, recycled fabrics that look and feel great to wear. Perfect for chefs who care as much about what goes into their uniform as they do about the provenance of the ingredients in their dishes.

## The pocket you've been waiting for

Love our PR151 waist aprons but can't live without the pockets in the PR158? We've designed a pocket into our classic apron shape to give you a brand new PR141 Pocket Waist Apron. A bright idea that's available in recycled polyester and six of your favourite shades from the 'Colours Collection'.

## Crafted for artisans

Our PR181 'Artisan's Choice' apron is tailored with soft lines, rounded edges and finer straps with metal eyelets and a double pocket. A beautiful apron cut from strong canvas that you can style your way - as a full bib or folded down to a neat half apron.

## Recyclight® microfleece

For 2023, we've also introduced an exciting new range of Recyclight® full and ¼ zipped microfleece. Warm and lightweight, the 100% recycled polyester fabric is anti-pill and incredibly soft, making it ideal for the widest range of applications. Just add an embroidered logo for the perfect finishing touch.

# CHEFSWEAR

## WE'RE READY TO TAKE YOUR ORDER

---

For 2024, we've spiced things up in the kitchen. Chefs spend hours creating exceptional dishes from the finest ingredients, so we turned the tables and asked them what ingredients they need to succeed. The result is new uniform choices that celebrate the sheer brilliance, creativity and determination of chefs.

We started with technical Coolchecker® fabrics that wick away moisture and offer maximum comfort and durability. Then we added the kind of attention to detail that we know chefs love. Like zipped chef's jackets with a clever collar loop to contain apron straps.

Comfortable cargo inspired pants together with slim fit and denim options. Plus all the pen pockets, under arm vents and press stud fastenings chefs need to put in a gruelling shift.

Get ready to order.
